### **The Goose**

This painting was commissioned by my friend, Kim, as a very special gift for her daughter's birthday. Angus, aka The Goose, has passed away and she is sorely missed. She was always happiest running in the woods.

### **Maggie & Haley**

Oil

This was commissioned by my daughter Jessica as a gift for her best friend, Tammy, who ...

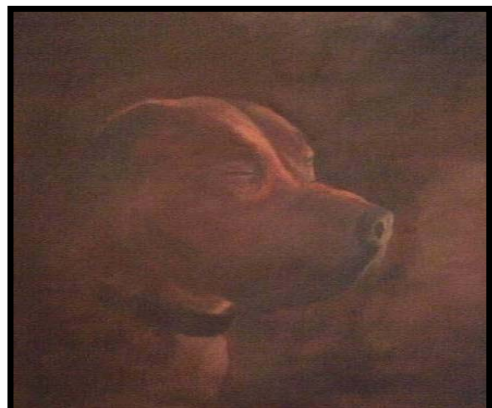

... had just moved to Atlanta. This painting is even more appreciated since the passing of Haley, one of Tammy's sweet Pugs.

### **Capone**

Oil

This painting was created for my youngest daughter, Kelsey. I was babysitting for my granddaughter one night and loved the soft light on Capone's face from the kitchen lamp as I scratched him under his chin.
